

Remember - **Singles League** teams are granted bonus points for having all team members pass the **Club Referee Exam**. It is an on-line test, takes about 5 minutes, and is free. You can take it as many times as it takes to pass! And you only need to pass it once.

**Needs to be completed by midnight of last match of the season!**

The exam may be accessed from your home page at US Squash.

1 - [Access US-Squash Website](#)

2 - Login to your account.

3 - On your home profile page, select the Referee Exams.

**Hint:** Jot down your answers as you take the test. It'll tell you which ones you got wrong, but it's good to remember your answers if you need to take again...
